APPLICANT: LECOMTE, Michel; PICHON, Marc

SERIAL NO.: 10/552751 (International Serial No. PCT/FR2004/050157)

FILED: October 11, 2005 (International Filing Date: 13 April 2004)

TITLE: MOBILE DEVICE FOR POWERING, RECHARGING AND/OR CONTROLLING A HEIGHT-FIXED ELECTRIC APPLIANCE

PETITION TO PROCEED UNDER 35 U.S.C. §116 AND
UNDER 37 C.F.R. § 1.47(a)

Mail Stop Petitions
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. § 1.47(a), Applicant petitions for acceptance of the Declaration and Power of Attorney form with a missing signature of a co-inventor, so that the prosecution on the merits can proceed without the co-inventor.

1. U.S. Serial Patent No. 10/552751 (the '751 application) was filed on October 11, 2005 to enter the U.S. national stage under Chapter I of the PCT for PCT Application No. PCT/FR04/050157. No Oath or Declaration was filed with the application on October 11, 2005.
2. One of the inventors, Michel LECOMTE, has not returned a signed Declaration or Oath for the above-identified patent application despite attempts. Mr. Lecomte is a French national, and his refusal to cooperate has been documented by French counsel, Helene Bleger or Alain Rhein of Cabinet Bleger-Rhein in Vendenheim, France.

3. The last known address for Michel LECOMTE is: 34, Bd des Belges, F-44300 Nantes, FRANCE.
4. Efforts have been made to prepare the application and obtain the inventor's signature. Attached are copies of the letters sent to inventor, Michel LECOMTE, requesting cooperation with entry into the U.S. national stage by French counsel.
5. There are four certified letters (August 22, 2005; September 15, 2005; September 9, 2005; and September 27, 2005), which have been translated into the English language. These letters are attached as Exhibits A-D. A statement of accuracy by the translator is also attached hereto as Exhibit E.
6. As indicated in the correspondence, Mr. LECOMTE was provided with a complete copy of the patent application and refused to provide any further instructions or signatures for required forms. Mr. LECOMTE reviewed the French priority application in the French language and approved the conversion into the International Application. However, Mr. LECOMTE stopped cooperating at the time of national stage entry. For example, Mr. LECOMTE has refused to sign the combined Declaration and Power of Attorney form for the U.S. Patent and Trademark Office by refusing to respond to any request regarding the above-identified patent application in any country.
7. The executed Declaration for the remaining inventor, Mr. Marc PICHON, is being submitted herewith in response to the Notice to File Missing Parts dated June 9, 2006 as Exhibit F. A copy of the Notice is attached hereto as Exhibit G.

8. Applicant attaches the payment of the Petition fee under 37 C.F.R. § 1.17(g) of \$200 (Fee Code 1463). The completion fees are submitted concurrently in the Completion of Filing Requirements, filed concurrent with the present Petition.

Applicant respectfully requests the Commissioner to grant the Petition for acceptance of the Declaration and Power of Attorney form with a missing signature of Michel LECOMTE, a co-inventor, so that the prosecution on the merits can proceed without Mr. LECOMTE, the co-inventor. The undersigned have first-hand knowledge of the refusal as shown by the certified letters provided by French counsel.

The present petition is submitted in response to the Notice to File Missing Requirements, mailed on June 9, 2006, a Declaration form signed by the remaining co-inventor, Marc PICHON, and payment of the required fees. Any additional fees due in this matter may be charged to the Applicant's attorney Deposit Account No. 08-0879.

Applicant respectfully contends that granting the present petition will place the application in a condition for consideration on the merits.

Respectfully submitted,

Vendenheim, le 22/08/2005

Monsieur,

Nous vous rappelons que, sur instructions de votre part, nous sommes intervenus pour votre compte dans le cadre du dépôt d'un certain nombre de demandes de brevets internationales.

Ces dépôts vous sont rappelés ci-après :

1. Dispositif de mise en mouvement d'objets à brins multiples

Un dépôt en France est intervenu le 11 avril 2004 sous le n° 03.04521, demande de brevet entre-temps transformée en demande de certificat d'utilité pour défaut de paiement de la requête d'établissement du rapport de recherche.

Cette invention a fait l'objet d'une extension par voie de dépôt de demande internationale sous le n° PCT/FR2004/050159.

2. Dispositif d'alimentation électrique mobile

Le dépôt en France est intervenu le 11 avril 2003 sous le n° 03 04522. Ici encore, la demande de brevet français a été transformée en demande de certificat d'utilité.

Et une extension par voie internationale a été entreprise sous le n° PCT/FR2004/050157.

3. Dispositif de manœuvre de support mobile d'affichage

Le dépôt en France de la demande de brevet (à présent demande de certificat d'utilité) a été effectué le **24 avril 2003 sous le n° 03 05012 et l'extension internationale a été effectuée sous le n° PCT/FR2004/050170.**

Dans l'ensemble de ces dossiers, nous avons eu, à plusieurs reprises, différentes instructions contradictoires pour l'établissement de nos notes d'honoraires.

Ainsi, après facturation aux co-titulaires, il nous a été demandé d'établir de nouvelles factures à l'attention de la Société STYLIK qui, après une première provision couvrant les frais de dépôt de la demande de brevet PCT/FR2004/050159 pour « Dispositif de mise en mouvement d'objets à brins multiples » a été mise en situation de liquidation judiciaire et est défaillante dans cette affaire.

Ceci rappelé, vous êtes de tout temps nos donneurs d'ordre, donc nos mandants et, à défaut de dispositions particulières, les co-propriétaires restent solidairement tenus à l'égard du mandataire.

Aussi, par le présent courrier, nous nous permettons de vous mettre en demeure pour le règlement du solde nous restant dû conformément aux notes d'honoraires ci-jointes.

A défaut d'obtenir le recouvrement de celles-ci sous quinzaine, nous nous permettrons de faire valoir nos droits devant la juridiction compétente.

Nous vous prions d'agréer, Monsieur, l'expression de nos salutations distinguées.

Re: Accountancy

Gentleman,

We remind you that pursuant to your instructions we acted on your behalf within the framework of the filing of a number of international patent applications.

These filings were as follows :

1. Device for putting into motion objects with multiple strands

A filing was made in France on April 11, 2004 under No. 03,04521, which patent application has meanwhile been converted into a utility model application, due to lack of payment of the request for a research report.

This invention was the object of an extension through filing an international application under No. PCT/FR2004/050159.

2. Mobile electric-current supply device

The filing in France took place on April 11, 2003 under No. 03 04522. Here too, the French patent application has been converted into a utility model application.

And an extension through an international application has been filed under No. PCT/FR2004/050157.

3. Actuating device for mobile display support

The filing in France of the patent application (now utility model application) occurred on April 24, 2003 under No. 03 05012 and the international extension was made under No. PCT/FR2004/050170.

For all these files we received several times different contradictory instructions for the issue of our bill of fees.

Thus, after having invoiced to the co-owners, we were requested to establish new invoices for the attention of the company STYLIK, which, after a first payment covering the filing fees for the patent application PCT/FR2004/050159 for « Device for putting into motion objects with multiple strangs » got into a situation of liquidation of the assets and does not pay for this file.

This being said, you are always our instructing parties, thus our principals, and, in the absence of particular provisions, the co-owners remain jointly committed vis-à-vis the patent attorney.

Therefore, we herewith allow ourselves to summon you to settle the payment of the balance due according to our enclosed bills of fees.

In the absence of settlement of these bills within fifteen days, we will allow ourselves to defend our rights with the competent jurisdiction.

Faithfully Yours,
